WISENET

SMT-2730PV

27" PVM with built-in 2MP camera

Benefits

- Public View Monitors can form part of your business's Crime Prevention Through Environmental Design (CPTED) strategy.

- Prevents shrinkage by showing potential thieves they are live on camera.

- Ideal for retail use at key areas such as entrances and display racks.

- Built in camera for ease of installation. No additional accessories are required except for VESA compliant mounting.

- Powerful video performance and crisp image quality with ultra low light sensitivity and wide dynamic range.

- Can be utilised for advertisement and signage. Automatically switches from slide show mode to direct live view when motion is detected.

- Fully compatible with Wisenet SSM/WAVE/NVR, 3rd party VMS and external devices with alarm input/output, API and ONVIF.

- On screen display (OSD) messages can be customised - size, colour, position and blinking.
