

WMA-01

Easily change to a variety of viewing angles with the AG Neovo WMA-01 wall mount arm for small- to medium-sized displays.

Effortlessly adjust display angles and change arm directions for sharing on-screen images ergonomically with the WMA-01 wall mount arm. Rugged and ergonomic construction design as well as smart cable management suit the needs of multi-user environments in both function and durability. Compatible with VESA standard, it supports small- to medium-sized displays weighing up to 25 kg.

- > Durable design for multi-user environments
- > Smart cable management
- > Tilt up and down for 30°
- > Swivel left and right for 180°
- > Foldable arm for more viewing angles
- > Compatible with VESA standard (75 x 75 mm to 200 x 200 mm)
- > Weight capacity: 25 kg
